Urban Development.

THIS AMENDMENT TO DECLARATION FOR COPPERFIELD ("Declaration") is made this 5th day of April, 1995, by COPPERFIELD PROPERTY OWNERS ASSOCIATION, INC., a Florida corporation not-for-profit (the "Association").

WITNESSETH:

WHEREAS, the Declaration was recorded May 31, 1994 in Official Records Book 3396 at Page 1071 of the Public Records of Brevard County, Florida; and

WHEREAS, the Association wishes to amend Article XIII, Section 2 of the Declaration by clarifying the language concerning permitted wells for irrigation; and

WHEREAS, Article XVI, Section 5 of the Declaration provides for the amendment of the Declaration by an instrument signed by the Owners of sixty-six and two-thirds (66-2/3%) percent or more of the Undeveloped Lots and Homes; and

WHEREAS, The Owners of over 66-2/3 percent of the Undeveloped Lots and Homes have consented to the amendment by virtue of the joinders attached hereto as Exhibit "A".

NOW, THEREFORE, the Association hereby declares as follows:

- 1. That Article XIII, Section 2 is hereby amended to read in its entirety:

Notwithstanding the foregoing, deep or shallow wells for irrigation purposes will be permitted upon the approval of the Architectural Review Board. This restriction will be enforceable as long as the water services and sewage disposal are in operation, satisfactorily servicing each Lot on which a completed building is located in said Project in accordance with the standard requirements as provided for by the State Board of Health Regulations.

- 2. In all other respects, the Declaration will remain in full force and effect as recorded and amended.

IN WITNESS WHEREOF, the Developer has executed this Amendment the day and year first above written.

Signed, sealed and delivered in the presence of:
